HERE TO FIGHT HUNGER

Casey's and their generous guests contributed over

\$1.2 million

to support food hunger and food availability.

Hunger and food availability are a challenge for many of Casey's hometowns, and the pandemic made the need greater than ever as 40 percent of Americans who are receiving food support today have never needed Feeding America's help before.

„ We are grateful for the team at Casey's for their generous support in addressing food insecurity as part of their #HereForGood mission. Thousands of Heartland children, families, seniors, and veterans are facing hunger—and the lingering effects of the pandemic are making it even harder for them to access the food they need. This critical support from community partners like Casey's—and their customers—helps us fill empty plates with food, and hearts with hope. „

Brian Barks, President & CEO of Food Bank for the Heartland, TN

Casey's donated \$2,500 to Meals from the Heartland to engage 117 high school student volunteers from Waukee High School who packaged 20,088 meals to be distributed throughout Dallas County.
